Genesis:

Bihar has one of the most fertile plains in the world formed by mighty rivers like, Ganga, Koshi, Ghaghra and Gandak. The State has been the land of non-violence of Lord Budha and Jain Mahavira. In the later phase, it has become the victim of racism and discrimination, caste conflicts,socio-economic and political rivalry. The social affinity and bondage in the local people's organizations were broken. The peaceful Bihar was leaving its identity and image. The people were divided into different castes, creed and class based discrimination. The resultant Social differences and unrest culminated into hatred and violent incidences of mass genocide. The poorer were further impoverished to poor and the rich were becoming richer. Many armed conflicts between the different Castes, Class and religions compelled the poorest of poor to leave their land and villages and finally forced to migrate from their native place. This exodus of people was really painful indeed.

A group of peace-loving people assembled together discussed about the emerging situations and finally organized themselves to restore peace in the areas and help the needy people. Initially, these people tried to understand the basic reasons of the conflicting situations. They observed that the people's illiteracy, unemployment and poverty are the fundamental factors responsible for the outcome at one side and on the flip side the people's dominance and withering feudal structure and systems wanted to restore their prevailing practices. Thus, there was a tussle between these two schools of thoughts that was disturbing the calm and peaceful environment of Bihar. This committed Group of individuals were formally organized under GSSG and inaugurated the organization on Oct. 2, 1990, i.e. on the auspicious day of birth anniversary of Mahatma Gandhi. Further they started working on the welfare measures of the affected people. Initially, GSSG worked as per the demand of downtrodden people for their health and hygiene, peace keeping, literacy and education, training and capacity building through public meetings. The overwhelming response of the people and their participation further strengthened the confidence and morale of the Working Group. After more than two years of working, the people and the Founding Members felt the needs of registration of the GSSG to make it a legal entity and then finally GSSG was registered on Feb. 24 1993 under Societies Registration Act XXI, 1860, Govt. of Bihar. Now, GSSG is one of the leading and

popular organization/NGO in Bihar as it is working for more than 30 years with the support of different national and international organizations, Govt. Departments and Corporate Bodies.

Vision:

GSSG is envisioned to form a just society in which allindividuals are equally treated where discrimination is not prevailed.

Mission:

Our Mission is to enable the disadvantaged section of society for leading a dignified life through raising their quality standards of life.

Goal:

Our goal is to build the capacities of the vulnerable and marginalized communities for their holistic empowerment with special focus on addressing the issues of poor health and hygiene,discrimination, social exclusion, poverty and unemployment.

Aims & Objectives:

I. To enhance the Skills and capacity of vulnerable communities for their sustainable livelihood promotion, poverty alleviation and creation of employment.

II. To promote Water & sanitation, Solid waste management, climate resilient through sustainable WASH initiatives.

III. To ensure the women's empowerment through organizing women in SHGs so that they can promote self-help and benefits from microfinance programs as well as through imparting vocational skills. To promote literacy and education for the drop-out and out of school children for graduatingthem in Govt. Schools and to ensure the protection of child rights.

IV. To improve the health, nutrition and sanitation behavior of vulnerable Communities to reduce their disease burden and expenditure through Reproductive & Child Health (RCH) management, Vaccination, sustainable WASH initiatives and other healthcare needs.

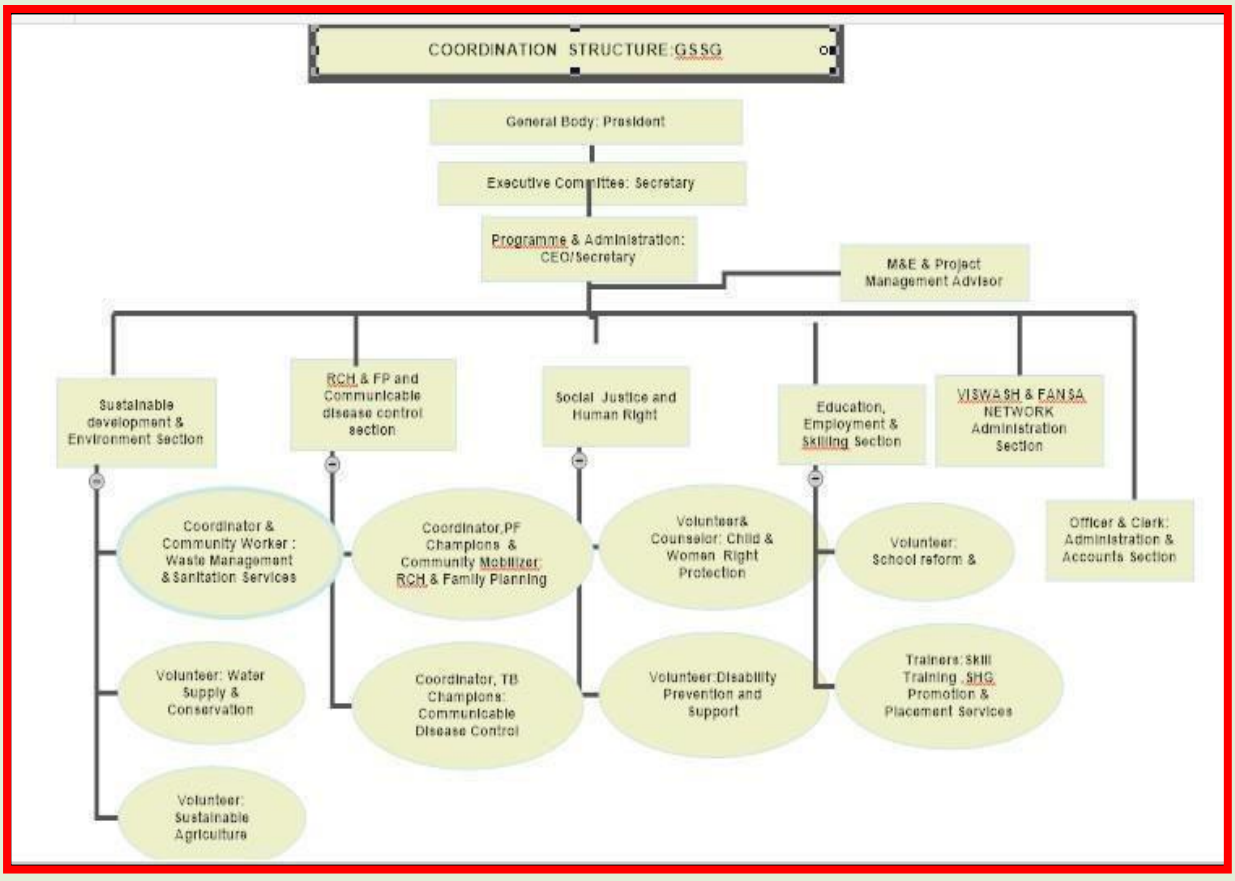

V. To develop the knowledge, behavior and skills of the communities through different training and capacity building exercises on different thematic subjects related to community development.

VI. To establish coordination and convergence with different national, international, corporate, Govt. Departments and others for augmenting the benefits to the communities.

VII. To raise the quality of life of people through healthcare, education, skills development, livelihood promotion, microfinance and environment up gradation.

VIII. To strengthen the PRIs/ULBs and address the issues of local self-governance for making them transparent, accountable and ensuring the democratic functioning at grassroots level.

Organization's Structure:

Governance of Organization:

We believe in democratic values which govern our action and decision. The organization has sound governance structure led by General Body (GB) that works in the leadership of the President. Apart from deciding policy matters, GB approves, long term plan, annual plan, budgetary allocations and annual report and audited statements, presented in its annual meeting by the Executive Committee GSSG has 11-membered Executive Committee (EC) with a proper gender balance. The Members of EC are elected by the GB. EC

formulates working strategies and approaches in quarterly meetings and takes approval of it from the GB. The Secretary is the key position in the EC who is the Chief Executive Officer CEO) of the organization and who is responsible to execute the given decisions of EC and GB. His/her organizational obligation is to ensure implementation of programs following democratic procedures with due diligence.

There are Program Managers/Coordinators and Thematic Experts who follow the decision of EC/Secretary and ensure all the compliances through planning, budgeting, implementation and monitoring of the programs and projects. A good no. of program and field staff provides their valuable support and inputs in the program management. These staff play their important roles with due responsibility. Thus, the governance of the programs /projects is ensured for achieving the desired objectives.

Organizational Strategy and Approaches

- Understanding priorities of the communities through micro assessment, planning and designing of programs in particular areas and workout of the possible alternative solutions.
- We believe in nation building and value patriotism as a cross-cutting agenda in our all actions and programs.
- We develop and strengthen local leadership engaged in community development. The people's participation in all our programs is essential component.
- We specially focus on vulnerable and marginal communities in particular and backward/economically backward people in general. We organize communities in groups for developing a sense of patriotism and service to nation and society.
- We approach government and other service providers as complementary entity for people's empowerment efforts towards society.
- We involve the PRIs/ULBs in all our program planning, implementation and monitoring of the activities as well as we also provide our technical support and guidance in their planning, budgeting and implementation of a few missing subjects.
- We liaison and network with the Govt. Departments, national NGOs, International NGOs, Corporate bodies and other Stakeholders for the empowerment and holistic development of communities.

महादलित परिवार के बच्चों को स्कूल से जोड़ रही संस्था

विटी रिपोर्टर | जहानाबाद

यह सत्य है कि शिक्षा के प्रति पहले की तुलना में आम जागरूकता बढ़ी है लेकिन अब भी शिक्षा के महत्व के प्रति महादलितों का एक खास आबादी उदासीन बनी है। ऐसे इलाकों में उनके बच्चों को स्कूल से जोड़ना आसान नहीं होता। एक के सम्बंधी मुसहर जाति के लोगों को शिक्षा सम्बन्ध के प्रति जागरूक कर उनके बच्चों को स्कूल से जोड़ना सिर्फ सरकार के बूते की बात नहीं लगती। ऐसे में कुछ सामाजिक संगठन सरकार के साथ मिलकर समाज के ऐसे वंचित वर्ग को समग्र विकास के लिए कार्य कर एजुकेशन सेंटर खोल गया है।

मुख्य धारा में जोड़ने के लिए लगातार प्रयासरत है। ऐसी ही संस्थाओं में से एक ग्राम स्वराज्य समिति घोषी है जो सामाजिक संगठनों में से एक ग्राम स्वराज समिति घोषी महादलित समुदाय जाति के सम्पर्क विकास के लिए लगातार तत्परता से काम कर रही है। ग्राम स्वराज समिति घोषी व अंधेरी छिल्के जमनी आपसी सहयोग से के लिए संस्था द्वारा गंगार, जिले के मोदनगंज प्रखंड के 12 थानपुर, धनन्जर, खरिसबाद तथा गांवों में महादलित समुदाय के रामपुर परबई में पांच बिन लोगों को शिक्षा समाज के मुख्य धारा से जोड़ने के लिए संस्था द्वारा संगठित प्रयास किया जा रहा है। इसके तहत बच्चों के पढ़ाई के साथ-साथ उनका पूरा ध्यान संस्था के द्वारा रखा जाता है।

स्कूल में नियमित उपस्थिति की हो रही मॉनिटरिंग

ग्राम स्वराज्य समिति के सचिव रामशंकर शर्मा ने बताया कि स्कूल में नियमित उपस्थिति को लेकर संस्था नियमित रूप से मॉनिटरिंग कर रही है। जो बच्चे स्कूल में अनुपस्थित रहते हैं, विद्यालय के शिक्षक व संस्था के कार्यकर्ता उनके गार्जियन से जाकर अनुपस्थिति का कारण पूछते हैं। यह रजिस्टर में मेंटेन करते हैं। स्कूल के बेहतर व्यवस्था बनी रहे, इसके लिए विद्यालय में बाल पंचायत, विद्यालय प्रबंधन समिति तथा पाड़ापार मेंटेनेंस कमेटी का भी निर्माण किया गया है और उनकी मीटिंग लगाई होते रहती है। इस तरह बच्चों के पढ़ाई के साथ-साथ उनका पूरा ध्यान संस्था के द्वारा रखा जाता है।

योजनाओं का लाभ दिलाने में मिल रहा सहयोग

साथ ही संस्था के द्वारा जहानाबाद व अरवल्लीय वर्ग के लोगों को सरकार की विभिन्न योजनाओं से लाभ दिलाना रही है। सर्व वर्ग चार सौ लोगों को सरकारी योजनाओं के लाभ दिलाने में मदद की गई है। महादलित वर्ग के लोगों को संस्था आयुष्मान कार्ड ,जीव कार्ड ,राशन कार्ड ,प्रधानमंत्री आवास योजना का लाभ दिलाने में मदद कर रही है। बेहतर स्वास्थ्य के लिए संस्था के द्वारा टोलों में हेल्थ कैंप भी लगाकर वहां गरीबों को इलाज से लेकर मुफ्त दवाइयां तक प्रदान कर रही है। पिछले छह महीने में 350 गरीब मरीजों को उचित चिकित्सा सलाह एवं मुफ्त दवाइयां प्रदान की गई है।

जिला स्तरीय चाइल्ड लेबर टास्क फोर्स की मांग

रामशंकर शर्मा ने कहा कि बाल श्रमिकों के पुनर्वास के लिए बाल मजदूरी पुनर्वास कोष की मांग की है। मात्र इतना ही नहीं, स्वराज समिति घोषी देश में बाल श्रमिकों की सुरक्षा और संरक्षण के लिए देश के 'नोबेल प्रयास के सम्मानों को एक प्लेटफॉर्म' पर लाने की मांग की है। ताकि बाल श्रमिकों की पहचान कर उन्हें मुक्त कराया जा सके। इसके साथ ही उन्होंने जिला स्तरीय चाइल्ड लेबर टास्क फोर्स के गठन की मांग की है। रामशंकर शर्मा ने कहा कि बाल श्रमिकों की सुरक्षा व संरक्षण के लिए जिला प्रशासन व जिला श्रम संसाधन विभाग के साथ मिलकर काम करने की जरूरत है। इसके लिए जिला स्तरीय चाइल्ड लेबर टास्क फोर्स के गठन की मांग की है।

मुफ्त व अनिवार्य शिक्षा जरूरी

संस्था के सचिव रामशंकर शर्मा ने कहा कि बाल श्रम के खात्मे के लिए बच्चों को शिक्षा से जोड़ना जरूरी है। इसके लिए मुफ्त व अनिवार्य शिक्षा के अधिकार को और मजबूती से लागू करने की जरूरत है। इसके लिए सरकार को और अधिक संसाधन उपलब्ध कराने की जरूरत है। उन्होंने कहा कि बाल श्रमिकों की पहचान कर उन्हें मुख्य धारा से जोड़ने के लिए जिला प्रशासन, श्रम अधीक्षक, जिला बाल संरक्षण इकाई, श्रम प्रवर्तन पदाधिकारी
